

We are looking for support!

INTERNS INDUSTRIAL DESIGN (M/W)

We are looking for industrial design students who, in addition to a high technical competence, share our passion for details and our ambition for strategic solutions at the highest level. You are studying design and want to gain your first real hand experience in a renowned design studio? We offer you the chance to prove yourself in our design team.

Your profile

- Compulsory internship (6 months)
- Proficiency in Rhino and Adobe
- First experience and high interest in interface & interaction design is a plus
- Fundamental knowledge of graphic design - you are not afraid to contribute to a logo design
- Analytical & methodical thinking paired with an interest for design strategy
- German proficiency is an advantage but not necessary
- Motivation, curiosity & high willingness to learn & grow

We offer

- Exciting insights into a globally operating design studio
- Contribution and responsibility in real client projects
- Broad spectrum of industries - Transportation, Consumer, Medical, Industry, Graphic ...
- Mentoring and support from senior designers
- Young & awesome team - open communication, flat hierarchies and creative spirit
- A modern & inspiring workplace in the heart of Munich next to the English Garden & Isar

Send your application incl. your portfolio (PDF oder Link) to:
praktikum@np-id.com

WE ARE LOOKING FORWARD TO HEAR FROM YOU.
